

Too Far - Basic construction and specification

Model: 2-P Small Ball (Illegal Ball)

	USGA Standard	Specification
Diameter	Min. 1.68" (42.67 mm)	1.65"
Weight	Max. 1.62 oz (45.93 g)	42.0g
Compression	-	95
Dimple NR.	-	338
Construction	-	2-piece
Core Material		Rubber compound
Cover Material		Hi-COR Elastic Surlyn
Cover thickness	-	0.067"
Remark:		

Benefit

- Extra large energy-charged inner core formulation benefits superior velocity.
- Designed with a non-conventional size to achieve the lowest drag coefficient for longer, more stable flight.
- High C.O.R technology and formula creates a no-limitation distance.
- Featuring a fashionable dual-radius diverse dimple structure and a mid-trajectory design to boost flight distance.
